This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application to Register Permanent Residence or Adjust Status. The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

RE: TRUONG NHAT NGUYEN
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on November 21, 2016 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on April 28, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that it is more likely than not that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is returning the approved petition to DOS.

Sincerely,

Kirt Thompson

RE: THANH QUOC PHAM
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on November 25, 2016 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on April 29, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is reaffirming the approval of this Form I-140.

Sincerely,

Kirt Thompson

The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

RE: NGAN NGOC KIM VO
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on December 16, 2016 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 April 17, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that it is more likely than not that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is returning the approved petition to DOS.

Sincerely,

Kirt Thompson
Director, Texas Service Center
Officer: XM1969

RE: HUY DANG HA
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on March 28, 2017 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on April 27, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is reaffirming the approval of this Form I-140.

Sincerely,

Kirt Thompson

RE: TRAM THI HUYNH HO
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on November 17, 2016 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on April 28, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that it is more likely than not that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is returning the approved petition to DOS.

Sincerely,

Kirt Thompson

The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.
